

Friends of the Gold Hill Museum Application

A Friend of the Gold Hill Museum is a voluntary association with the museum. Your service to the Museum is not obligatory nor does it include any dues or monetary support. The Board of the Museum is composed of seven members who have specific obligations to the Museum. There are times when seven people cannot get the job done and extra help is needed by volunteers. If you are interested, please fill in this form and return it to deb@mountainvisions.net. We will get back in touch with you!

Please let us know what types of volunteer work you would be willing to do:

_____ **The Annual Spring Cleaning Day held in May.** Our Museum is closed all winter and in the spring we have to get it cleaned up and ready to open. Volunteers would contribute as many hours as they desire.

_____ **Archival Support.** Every item in the museum must be cataloged and filed. This is ongoing, but when we get a large collection donated, we need help.

_____ **Exhibit Preparation.** There are new exhibits each summer, and putting them together can be a time consuming yet fun and educational task.

_____ **Special Events and Community Outreach Programs.** These events take a lot of people to set up, shut down, clean up and assist with the event.

_____ **Heavy Traffic Days.** In the past on 4th of July, we had over 115 people come through the museum starting around 9:30 am. We need volunteers to help with the gift shop, greeting visitors, and encouraging our visitors to register and make a donation.

_____ **Bluebird Bus Rebuild Project.** Our new project needs mechanical as well as participants for the interior work. If you would like to support this community project let us know. There are many different kinds of work associated with this project coming in 2021–2022.

_____ **Calendar Committee.** Meetings are on Mondays as needed.
